COVID 19 customer notice

Welcome back!

We are so grateful to be able to open our door again and welcome you back to Caffe Piccolo! We missed you!

We want to ensure that you feel safe and comfortable during your time spent with us and therefore we have changed a few things around!

By the entrance and a few other points around the restaurant you will find hand sanitisers that you can help yourself to at any time. We have increased the distance between the tables according to Health and Safety advice given by the government. When possible, we are keeping the distance between each other to minimise the contact. Kitchen and Floor staff members are provided with face masks and wash their hands frequently. We also do health screening of every staff member before every shift. We are making sure the restaurant is sanitised top to bottom every day and also that all touch contact surfaces are being cleaned frequently. Keeping our customers and our staff safe is our priority always but especially during these challenging times. That is why we update and adapt our staff trainings, cleaning schedule and risk assessment, so we make our restaurant as safe and comfortable for you and our team as we possibly can.

We are so happy to see you again and we hope you will have the most wonderful time with us!

Your Caffe Piccolo Team.
